PRELIMINARIES

1. OFFICIAL OPENING

DISCLOSURE OF INTERESTS

- 2. PUBLIC STATEMENT/QUESTION TIME
- 3. APOLOGIES AND LEAVE OF ABSENCE
- 4. PETITIONS
- 5. CONFIRMATION OF MINUTES

That the Management Committee CONFIRMS and the Chair signs the minutes from the Management Committee meeting held 15 July 2021 as a true and accurate record of proceedings.

- **5A BUSINESS ARISING FROM MINUTES**
- 6. ANNOUNCEMENTS BY CHAIR (WITHOUT DISCUSSION)
- 7. ADMINISTRATION REPORTS AS PRESENTED (ITEMS 7.1 7.4)

Preliminaries Page 4 of 25

7.1 BUSINESS REPORT – PERIOD ENDING 9 SEPTEMBER 2021

Responsible Officer: Manager Project Coordination

Attachments: NA

Voting Requirements: Simple Majority

RECOMMENDATION

That the Management Committee RECEIVES the Business Report to 9 September 2021.

PURPOSE

The report provides information to the Management Committee on key activities, programs and milestones.

BACKGROUND

The business of the Council requires adherence to many legislative provisions, policies and procedures that aim at best practice. There are also many activities that do not need to be reported formally to the Council but will be of general interest to Council members and will also be of interest to the public who may refer to Council minutes.

In the context of the above, a Business Report provides the opportunity to advise on activities that have taken place between meetings. The report will sometimes anticipate questions that may arise out of good governance concerns by Council members.

COMMENT

1. Civil Construction - Status

Stage 28

Titles for 34 lots in Stage 28 issued on 1 September 2021.

Connolly Drive/Aviator Boulevard Roundabout

Civil works for the Connolly/Aviator Boulevard roundabout are to be completed in early November 2021.

Catalina Beach Foreshore Access Road / Carpark

Earthworks for the Beach Foreshore Access Road and Carpark have been completed. Civil works are anticipated to be completed in early December 2021.

Portofino Promenade/Longbeach Promenade

Civil works for Portofino Promenade and Longbeach Promenade are scheduled to be completed in conjunction with the Foreshore Access Road and Carpark works.

7.1 Business Report Page 5 of 25

Portofino Promenade extension under construction, Catalina Beach

Stage 27B

Civil works for Stage 27B (32 lots) will commence 23 September 2021. Practical completion is anticipated in mid February 2022.

Catalina Green

Earthworks for Phase 1 of Catalina Green commenced late August 2021 and are expected to be completed mid-November 2021. Careful attention has been given to the identification and protection of existing trees that are to be retained within the development. Civil design for the first stages of subdivision is well advanced and will be submitted to the City of Wanneroo for approval this month.

Release of the first stage of lots for sale is proposed in October 2021.

Catalina Green Earthworks in progress

7.1 Business Report Page 6 of 25

2. Landscape Works – Status

Foreshore Access Road and Carpark

The first stage of landscaping works, involving revegetating of the earthwork batters adjacent to the Foreshore Access Road and Carpark, has been completed. A second stage of revegetation works will be completed in winter 2022 following the completion of civil works.

Portofino Promenade and Longbeach Promenade

Landscape works will follow the completion of civil works for these road extensions in early 2022.

Stage 28 Display Village/Marmion Avenue West

Landscaping of the verges opposite the Stage 28 Display Village and adjacent to Marmion Avenue is programmed to commence November 2022.

Catalina Beach Park - Phase 2

Landscape works are programmed to commence April 2022.

Foreshore Park

Landscape works are programmed to commence April 2022.

Aviator Boulevard Greenlink

Landscape works for the Aviator Boulevard Greenlink extension from Roulettes Parade to Connolly Drive in Catalina Central are programmed to commence November 2021.

Connolly Drive/Aviator Boulevarde Roundabout and Entry Statement

Landscape works for the Connolly/Aviator Roundabout and adjoining entry statements for Catalina Central are programmed to commence late November 2021.

Catalina Green

Landscape design for streetscape works and entry statements on Connolly Drive and Neerabup Road and parkland adjacent to Neerabup Road in the first phase of the Catalina Green development area is well advanced. Landscape works are programmed to commence in May 2022.

3. Housing Construction

The following table provides an overview of the current progress of housing construction to 9 September 2021:

Stage	Total Lots	Under Construction	Completed	Vacant
Stages 1 – 15, 17A, 18A, 18B, Stage 25 (Display Village), 25B	885	1	882	2
Stage 16A	17	10	0	7
Stage 17B	36	5	27	4
Stage 25	38	2	33	3
Stage 25 (Builders Release)	7	0	6	1
Stage 26	38	16	18	4
Stage 27A	20	7	0	13
Total	1,041	41	966	34

Recently completed Homes on Portofino Promenade, Stage 25 Catalina Beach

4. Community Events

A new Community Development event series called the Weekend Connector is being implemented during FYE 2022 to provide regular connection opportunities for residents and engagement of local community groups and businesses. Weekend Connector events will be held on the first Sunday each month at Drimmie Park in Catalina Central.

The first event in the series was held on 5 September 2021 on Father's Day and was attended by 50 residents who enjoyed TPRC provided coffee and a pop-up reading corner and story time facilitated by Paint the Town REaD. The next event will be held on 3 October 2021 and will feature a yoga session and promotion of mental health awareness.

7.1 Business Report Page 8 of 25

5. Commercial Centres

Aviator Boulevard, Catalina Central

Construction is progressing well for the child care centre being developed at the corner of Aviator Boulevard and Roulettes Parade. The child care centre is due to open for business in early 2022. Stage 2 of the development will include several shop tenancies (300m² net lettable area) and a 170m² café and is due to be completed by May 2023.

Catalina Central Local Centre – Child Care Centre under construction

Connolly Drive, Catalina Green

The first stage of civil works within Catalina Green will include the local centre site located at the intersection being construction at Connolly Drive and Aviator Boulevard. A tender/expression of interest campaign is being proposed by Satterley to offer the site to market, consistent with the approved Annual Plan FYE 2022. A separate report on this matter is included in item 7.3.

6. Planning Applications

Stage 18C - Catalina Central

Subdivision approval for Stage 18C consisting of 28 residential lots, was issued by the Western Australian Planning Commission on 10 August 2021.

Stage 27C, 29 and 30 – Catalina Beach

Subdivision approval for Stages 27C, 29 and 30 consisting of 117 residential lots, was issued by the Western Australian Planning Commission on 18 August 2021.

Stages 36 and 37 - Catalina Green

Subdivision approval for the first phase of Catalina Green consisting of 127 residential lots and a commercial lot, was issued by the Western Australian Planning Commission on 4 August 2021.

<u>Stage 28 Builders' Display Village – Development Application</u>

Planning approval for the development of the Stage 28 Builders' Display Village is expected to be issued by the City of Wanneroo in late September 2021.

FINANCIAL/BUDGET IMPLICATIONS

Review of Project Financial Report for July 2021.

RISK MANAGEMENT IMPLICATIONS

Risk Ref: 2	Risk Rating:							
Strategic - Stable and effective governance environment.	Moderate							
Action:								
SPG and TPRC provide reports/information to Council Meeting	nas.							

The report provides information to the Management Committee on Catalina Project financial outcomes in particular, revenue, expenditure and variances to ensure transparency and governance of financial activity.

BACKGROUND

At its meeting of 17 June 2021, the Council approved the Project Budget FYE 2022, submitted by the Satterley Property Group (Satterley). The Development Manager's Key Performance Indicators 2020 - Governance, requires the preparation of monthly progress reports.

COMMENT

Satterley has prepared a Financial Report for July 2021 for the Project. The report has been prepared on a cash basis and compares actual expenditure to approved budget expenditure for the period up to 31 July 2021 and is attached at Appendix 7.4.

The Financial Report identifies the following main areas of variance:

- 1. Residential settlement revenue for the year to date to 31 July 2021 is \$265k which is \$761k behind the approved 'July 2021' Budget due to two less settlements.
- 2. Expenditure was \$91k over budget, in the following areas:
 - Lot Production \$77k under budget;
 - P&L expenditure is \$10k under budget;
 - Infrastructure \$557k under budget;
 - Clearance Bonds refunds \$754k adverse to budget;
 - Indirect consultants \$5k under budget;
 - Landscaping \$32k under budget;
- 3. Year to date sales for FYE 2022 are \$707k ahead of budget due to higher average price \$37k/lot and 1 more sale than budget.

The Satterley Financial Report provides detail on the variations.

Satterley representatives will be in attendance to present the report.

7.3 SALES AND SETTLEMENT REPORT – PERIOD ENDING 9 SEPTEMBER 2021

Responsible Officer: Manager Project Coordination

Attachments: Staging Plan

Voting Requirements: Simple Majority

RECOMMENDATION

That the Management Committee RECEIVES the Sales and Settlement Report to 9 September 2021

PURPOSE

To advise the Management Committee of the status of sales, settlements and sales releases.

Lot Releases

Upcoming releases in Catalina are summarised below.

Stage 18C - Catalina Central

The stage consists of 28 lots.

Sales: September 2021 (First Release)
 Construction: October 2021 (Commence)

Practical Completion: February 2022Titles Forecast: March 2022

Stage 30 - Catalina Beach

The stage consists of 37 lots, directly west of Stage 27B. It is anticipated that the stage will comprise three releases of 12 to 13 lots each.

Sales: October 2021 (First Release)Construction: November 2021 (Commence)

Practical Completion: April 2022

• Titles Forecast: May 2022

Stage 36 – Catalina Green

The first stage consists of 74 lots, including 53 standard lots (which includes lots for a future display village) and 21 rear loaded lots (some of which will be held back from sale pending use for car parking for the display village). Earthworks commenced in August 2021.

Sales: October 2021 (First Release)
 Construction: August 2021 (Commence)

Practical Completion: April 2022Titles Forecast: May 2022

The release of lots in Stages 18c, 30 and 36 will result in lots being available for sale simultaneously in all three Catalina precincts for the first time.

Marketing

Current project marketing is focussed on lead generation and brand awareness campaigns through social media advertising (primarily Google and Facebook) and search engine optimisation.

Catalina Green pre-launch messaging has commenced and marketing collateral is currently in development.

Signage across the Project has been updated with new imagery and Catalina Green branding.

Signage on Neerabup Road in Catalina Central

Signage at corner of Neerabup Road and Connolly Drive in Catalina Green

7.4 PROJECT FORECAST (2021)

Responsible Officer: Manager Project Coordination

Attachments: Satterley Property Group correspondence (dated 2 September

2021)

Voting Requirements: Simple Majority

RECOMMENDATION

That the Council:

- 1. RECEIVES the Satterley Property Group correspondence dated 2 September 2021 in relation to opportunities to increase lot income and reduce development costs to maximise Project financial returns.
- 2. REQUESTS the Satterley Property Group to prepare an updated Project Forecast as part of its mid-year review of the Project Budget FYE 2022 for consideration by the Council at its December 2021 meeting, incorporating updated pricing as set out in its correspondence dated 2 September 2021.

PURPOSE

To consider correspondence prepared by the Satterley Property Group (Satterley) on opportunities to address reduced Project cashflow identified in its proposed Project Forecast (2021).

RISK MANAGEMENT IMPLICATIONS

Risk Ref: 1	Risk Rating:
Strategic – Common vision	Moderate
Action:	

Council to determine Project Forecast 2020 (Scenarios) which will provide a guide to the long term cashflow direction of the Project and to provide the basis of Project and financial planning and project profit.

An updated Project Forecast will assist to guide project and financial planning.

BACKGROUND

The Project Forecast is intended as a general guide to the long term cashflow direction of the Project and to provide the basis of project and financial planning and the forecasted profit and distributions for the TPRC and member local governments.

At its meeting of 20 June 2018, the Council approved the Project Forecast (2018).

At its meeting of 18 June 2020, the Council considered the Project Forecast (2020), as prepared by Satterley, which contained three long-term scenarios to assist the Council in determining the strategic direction of the Catalina Project, particularly in relation to lot sales rates and pricing. The Council resolved to defer consideration of the Project Forecast (2020) and request Satterley to update the Project Forecast Scenarios (2020) in light of amended lot pricing and supporting analysis. The Council also authorised engagement of an independent consultant to review the Project Forecast (2020), undertake a benchmarking exercise on key project elements and provide advice and recommendations to the Council.

A key consideration for the review was the substantial reduction in project profit and distributions between the Project Forecast (2018) and the Project Forecast (2020), noting a \$84.2M cashflow reduction between the two forecasts.

In October 2020, CBRE (Valuers) was engaged to undertake an independent review of the Project Forecast (2020), undertake a benchmarking exercise on key project elements and provide advice and recommendations to the Council. CBRE's review concluded that the Project Forecast (2020) is an appropriate general guide for the Project and financial planning, providing only a very slight bias to conservatism with lot prices and escalations and the outlook of the market indicates the prospect for buoyant conditions in the short to medium term. At its meeting of 15 April 2021, the Council received the CBRE report (December 2020) on the review of Project Forecast (2020) and requested Satterley provide an updated Project Forecast that accounts for changing market conditions experienced in the later part of 2020 and early 2021.

At its meeting of 19 August 2021, the Council received an updated Project Forecast (2021), as prepared by Satterley. The Project Forecast (2021) indicated a significant reduction in project profit of \$100.3M since the Project Forecast (2018), with income reduced by \$54.3M and development costs increased by \$46.0M. The Council requested that Satterley identify opportunities to increase lot income and reduce development costs in order to maximise financial returns to the member Councils while delivering environmental, social and economic objectives and provide a report on this matter for consideration at the Council's October 2021 meeting.

COMMENT

Satterley has provided correspondence, dated 2 September 2021, in relation to opportunities to increase lot income and reduce development costs, which is contained in Appendix 7.4.

Income

Satterley notes that CBRE's review of the Project Forecast (2020) had found lot pricing assumptions were conservative. It advises that the Project Forecast (2021) was based on May 2021 lot pricing and expected to achieve a long-term average of eight sales per month and since this time estates in the northern corridor have continued to experience strong sales and positive sentiment remains in the market.

Satterley has modelled price increases across all three Catalina precincts, based on the pricing set out in the following table.

CATALINA Pro	ject For	ecast Update	ed Pricing		
PRODUCT TYPE	YIELD	CURRENT (SEP-21)	PREVIOUS (MAY-21)	VARIANCE	VARIANCE (%)
<u>Beach</u>					
Front 10.5 x 30 315m ²	42	340,000	314,290	25,710	8%
Front 12.5 x 30 375m ²	82	375,000	345,000	30,000	9%
Front 15 x 30 450m²	80	440,000	385,000	55,000	14%
Rear 6 x 30 180m²	52	215,000	181,732	33,268	18%
Central					
Front 12.5 x 30 375m ²	63	280,000	235,000	45,000	19%
Front 15 x 30 450m²	46	315,000	265,000	50,000	19%
Rear 7.5 x 30 225m²	61	175,000	179,455	(4,455)	(2%)
Green					
Front 10.5 x 30 315m ²	526*	230,000	225,000	5,000	2%
Front 12.5 x 30 375m ²	27	270,000	227,113	42,887	19%
Front 15 x 30 450m²	32	305,000	238,500	66,500	28%

^{*}Includes Catalina Green assumed yield following phase one of 518 lots at 312m ² average.

Satterley advises that the price changes have a positive impact on the May 2021 forecast gross income with an increase of \$32.5M. It is noted that this recovers approximately 60% of the reduction in gross income of \$54.3M between the 2018 and 2021 forecasts.

PROJECT FORECAST ANALYSIS	2021 PROJECT FORECAST CURRENT PRICING	2021 PROJECT FORECAST PREVIOUS PRICING	VARIANCE

PROJECT CASHFLOW			
Gross Income	\$660.0m	\$627.4m	\$32.5m
Development Costs	\$388.1m	\$387.3m	(\$0.8m)
Net Cashflow	\$271.9m	\$240.1m	\$31.8m
Final settlement date	Nov-35	Nov-35	-

As was noted in the report to the Council's meeting of 19 August 2021, design changes made since the Project Forecast (2018) have reduced total residential lot yield across Catalina by 94 lots, attributed mainly to refinement of design in Catalina Green to accommodate tree retention which reduced saleable area by 2.31ha, and increased lot sizes from an average lot size of 254m^2 to 320m^2 .

Development Costs

As was noted in the report to the Council's meeting of 19 August 2021, development costs increased by \$46.0M between the 2018 and 2021 forecasts, comprised of the following increases:

- \$8.3M Infrastructure costs.
- \$8.8M Lot production costs, with a \$9.3M escalation variance due to the deferral of works and extended duration from the Project Forecast (2018).
- \$10.8M Landscape costs, mostly attributable to an increased scope of works for Catalina Green.
- \$3.3M Marketing and community development costs due to the extended Project duration.
- \$12.7M Administration costs due to extended Project duration resulting in higher holding costs, such as rates, taxes, audits and maintenance.
- \$1.5M due to the extended Project duration.

Satterley advises that the Project Forecast (2021) incorporated cost estimates provided by the Project's engineering and landscape consultants in April and May 2021 and based on 7% cost escalation for FYE 2022 and 2% annually thereafter.

Satterley has modelled alternative cost escalation scenarios from a 'low' scenario of 1% annual increase to a 'high' 2.5% increase. It advises the difference between these scenarios equates to \$18.8M. Adoption of a 2% annual cost increase beyond FYE 2022 is towards the conservative end of the modelled escalation scenarios and is considered to be a prudent approach, supported by the CBRE review.

Satterley advises that cost estimates will be continually updated as an input to subsequent budget updates as further planning and detailed design is undertaken and that development costs will be carefully monitored, controlled and value will be added through efficient earthworking and servicing methodologies. Satterley has not identified any other opportunities to minimise cost increases for the Project.

CONCLUSION

The Project Forecast is a general guide to the long term cashflow direction. Despite the inherent uncertainties associated with forecasting over the lengthy timeframe of the Project's lifecycle, there is a reasonable expectation that the Project Forecast can be used by the TPRC as the basis of Project and financial planning and that the forecasted Project profit and distributions can be relied upon by the member local governments.

A significant and concerning decline in Project profit of \$100.3M emerged between the last approved Project Forecast (2018) and the most recent Project Forecast (May 2021). Satterley has since modelled lot sales price increases which would have a positive impact on gross income of \$32.5M. It has not identified any opportunities to significantly decrease development costs.

The key objective of the Economic pillar of the Strategic Community Plan (2020), adopted by the Council at its February 2020 meeting, is to maximise returns for member Councils while delivering environmental, social and economic objectives.

It is recommended that the Council receives Satterley's advice on the Project Forecast (2021), as set out in its correspondence dated 2 September 2021, and require it to provide an updated Project Forecast as part of its mid-year review of the Project Budget FYE 2022 for consideration by the Council at its December 2021 meeting, incorporating the updated pricing contained in the latest advice.

8. ELECTED MEMBERS MOTIONS OF WHICH NOTICE HAS BEEN GIVEN

10. URGENT BUSINESS APPROVED BY THE CHAIR

11. GENERAL BUSINESS

12. DECISION TO MOVE TO CONFIDENTIAL SESSION

That the Management Committee:

Move into Closed Session and exclude members of the press and public from the meeting of the Closed Session and access to the correspondence and reports relating to the items considered during the course of the Closed Session be withheld. This action is taken in accordance with Section 5.23 of the *Local Government Act 1995*, as items 12.1 – Review of Deliverables – Development Manager's Key Performance Indicators and 12.2 Catalina Green Neighbourhood Centre Business Case come within the following provisions:

- c) a contract entered into, or which may be entered into, by the TPRC and which relates to a matter to be discussed at a meeting (section 5.23(2)(c));
- d) legal advice obtained, or which may be obtained, by the local government and which relates to a matter to be discussed at the meeting; or
- e) a matter that if disclosed, would reveal
 - i) Information that has a commercial value to a person; or
 - ii) Information about the business, professional, commercial or financial affairs of a person where the information is held by, or is about, a person other than the TPRC (section 5.23(2)(e)).

13. FORMAL CLOSURE OF MEETING

APPENDICES

Appendix 7.2

31 August 2021

Mr Tony Arias Chief Executive Officer Tamala Park Regional Council PO Box 655 INNALOO WA 6918

Dear Tony

Catalina Financial Report for July 2021

Please find attached the Catalina Financial Report for July 2021. This report has been prepared on a cash basis and compares actual income and expenditure to the June 2021 approved budget for the period 1 July 2021 to 31 July 2021.

Residential settlement revenue for the year to date to 31 July 2021 is \$265k which is \$716k behind the approved 'July 2021' budget due to 2 less settlements.

YTD Sales for FYE2022 are \$707k ahead of budget due to higher average price \$37k/lot and 1 more sale than budget.

Overall FYE2022 expenditure is \$91k over budget per the approved 'June 2021' budget, with \$292k spent against a budget of \$201k. The main areas of variances are summarised below:

- Lot Production is \$77k under budget due to minor variances across multiple stages
- o Landscaping is \$32k under budget due to minor variances across multiple jobs.
- o Infrastructure Spend is \$557k under budget, noting the following variances:
 - Connolly Drv Aviator Blvd Intersection \$304k under budget;
 - Foreshore Access Rd \$263k under budget;
 - \$11k over budget due to combined minor variances
- Clearance bonds \$754k adverse to budget delayed return (timing).
- Indirect Consultants are \$5k under budget due to timing of invoice payments.
- P&L expenditure is \$10k over budget, noting the following variances:
 - o Maintenance \$55k under budget due to timing of invoice payments;
 - Contingency \$45k not required;
 - o Rates & Taxes \$146k ahead of budget due to timing of invoice payments;
 - o \$56k under budget combined minor variances for other Overheads.

Satterley Property Group Pty Ltd Level 3, 27-31 Troode Street, West Perth WA 6005 PO Box 1346, West Perth WA 6872 T 08 9368 9000

Please refer to the attached Cashflow Analysis for a more detailed analysis of actual to budget variances. Should you have any queries on this report, please do not hesitate to contact me.

Yours faithfully

Ross Carmichael

Stage 16A	Dec-20	4,498,002	264,588	2,555,841	150,344	1,942,161	114,245	43.18%
Stage 27A	Dec-20	6,251,840	312,592	3,951,378	197,569	2,300,462	115,023	36.80%
	_	274,267,294		154,035,023		120,232,272		

Stage 27A Gross profit / lot is \$64k above budget due to savings on construction. Stage 27A was originally budgeted as a single stage 27, but when it was split into 2, the construction budget was split 50/50. We therefore expect extra costs for stage 27B.

2 September 2021

Mr. Jon Morellini Chief Executive Officer Tamala Park Regional Council Unit 2, 369 Scarborough Beach Road **INNALOO WA 6018**

Dear Jon.

Catalina 2021 Project Forecast; Request to identify opportunities to increase lot income and reduce development costs

As a result of discussions at the August 2021 Council meeting, the Tamala Park Regional Council (TPRC) has requested Satterley "identify opportunities to increase lot income and reduce development costs in order to maximise financial returns to the member Councils while delivering environmental, social and economic objectives and provide a report on this matter for consideration at the Council's October 2021 meeting."

1. Opportunities to increase lot income

The 2021 Project Forecast was initially prepared based on pricing set in May 2021 which was expected to achieve on average 8 net sales per month over the long-term. Feedback provided to Satterley following a third-party review of assumptions suggested that whilst overall assumptions appeared reasonable, underlying pricing may have been on the conservative side.

Since May 2021, and despite the conclusion of government stimulus measures, several estates in the northern corridor have continued to enjoy strong sales momentum. Given this, and positive sentiment around the property market more broadly, some increases in pricing may be more palatable in today's market. The 2021 Project Forecast has been modelled to allow for the following increase to pricing, whilst retaining a long-term sales rate of 8 per month (prices shown are for the most common lot types):

CATALINA Project Forecast Updated Pricing							
PRODUCT TYPE	YIELD	CURRENT (SEP-21)	PREVIOUS (MAY-21)	VARIANCE	VARIANCE (%)		
<u>Beach</u>							
Front 10.5 x 30 315m ²	42	340,000	314,290	25,710	8%		
Front 12.5 x 30 375m ²	82	375,000	345,000	30,000	9%		
Front 15 x 30 450m²	80	440,000	385,000	55,000	14%		
Rear 6 x 30 180m²	52	215,000	181,732	33,268	18%		
Central							
Front 12.5 x 30 375m ²	63	280,000	235,000	45,000	19%		
Front 15 x 30 450m²	46	315,000	265,000	50,000	19%		
Rear 7.5 x 30 225m²	61	175,000	179,455	(4,455)	(2%)		
Green							
Front 10.5 x 30 315m ²	526*	230,000	225,000	5,000	2%		
Front 12.5 x 30 375m ²	27	270,000	227,113	42,887	19%		
Front 15 x 30 450m²	32	305,000	238,500	66,500	28%		

^{*}Includes Catalina Green assumed yield following phase one of 518 lots at 312m ² average.

After allowing for adjustments to pricing on all lot types, the overall impact to the 2021 Project Forecast is as follows:

PROJECT FORECAST ANALYSIS	2021 PROJECT FORECAST CURRENT PRICING	2021 PROJECT FORECAST PREVIOUS PRICING	VARIANCE
ASSUMPTIONS			
Base pricing	Current (Sep-21)	Previous (May-21)	+8.7%
Sales rate	8 per month	8 per month	-
Income escalation rate	3.0%	3.0%	-
Cost escalation rate	2.0%	2.0%	-
NPV OUTCOMES

NPV @ 10%	\$61.4m	\$45.5m	\$16.0m
PROJECT CASHFLOW			
Gross Income	\$660.0m	\$627.4m	\$32.5m
Development Costs	\$388.1m	\$387.3m	(\$0.8m)
Net Cashflow	\$271.9m	\$240.1m	\$31.8m
Final settlement date	Nov-35	Nov-35	-

2. Opportunities to reduce development costs

The 2021 Project Forecast incorporated updated inputs from engineers and landscape consultants dated April-May 2021 to provide the most timely and accurate forecasts available. The 2021 Project Forecast also allowed for 7% cost escalation in FY22 following advice from consulting engineers. These inputs will continually be updated in subsequent budget updates as necessary, and as further planning works and detailed design occurs. At all times, development costs are carefully monitored and controlled, with value added through efficient earthworking and servicing methodologies.

Yours sincerely

Regional Manager
